Year 1 Virtual Tour of Windsor Castle

Year 1 children had a lovely day last week when the children and staff were invited to come to school dressed as knights, queens or squires. They had a virtual tour of Windsor Castle and participated in various workshops. They listened to medieval music and did some dancing, built class castles, and made shields. A great day was had by all.

Car Parking – Could we please ask that you park considerately when dropping and picking up your children – we have had several complaints from residents about our parents blocking them in etc. – thank you for your co-operation.
