

Newsletter - Friday 6th September

Dear Families,

Welcome back! We all hope you all had a fun filled holiday and are well rested and ready for the term ahead.

We are focusing on outstanding punctuality and attendance this term, 96% or above so keep an eye on the attendance thermometer below, it should be green each week! Help your child's class win the weekly award!

If you have moved house, changed your phone number or email during the holidays please inform the school office. This is really important as school correspondence, including newsletters, will continue to be by email. If you require a paper copy of anything sent you can request this from the school office.

There will be a number of letters coming to you by email or in your child's book bag tomorrow and next week. This includes signing up for after school sports clubs, year two choir, school councillors, green rangers and library ambassadors.

I would like to take this opportunity to remind you that we have some children and staff with sever allergies and as always appreciate your help in keeping them safe from harm. Therefore, please do not include oranges or any form of nuts, particularly peanuts, in packed lunches if your child does not have school dinners. Thank you.

Mrs Lodge
Principal
